

**Millom School**

# Reading Mentors

All students in Key Stage 3 will be tested on their reading ability.

These tests will identify who needs extra support.

Sixth Form students help to provide this additional support for some students in years 7-9.

## Logistics

Sixth Form students will arrange times with their students to meet up and complete the tasks. This takes place during PM form time.

Sixth Form students will listen to students reading and completing comprehension activities.

Sixth Form students are provided with training before the programme begins.

## Why its beneficial?

- Be a role model ✓
- Enhance school community ✓
- Develop leadership skills ✓
- Talking point for interviews ✓
- Enhance applications ✓
- Enhanced communication ✓
