## 2026-27

# ENRICHMENT

Enrichment will continue into the 2026-27 academic year, with students taking part in a maximum of 6 activities over the year.

There are 6 blocks, each lasting 6 weeks.

Over the next few weeks the new enrichment booklet will be available and the selection form will go live.

# YOUR FEEDBACK ANSWERED

Students felt that they were sometimes allocated activities they had not chosen.

All activity allocations are based off the activity choices from the form that students completed.

Students are encouraged to make a note of the activities they select or take a photo/screen shot their selections.

- Students will now be able to select enrichment activities from ANY category with no restrictions.
- The enrichment booklet will be available on students/parents email accounts, the website and schools' social pages. There will also be paper copies of the booklet around school.
- The enrichment board is moving to make it more accessible. It will be located by the money machine (outside the small fec) from September.
