

#### A message from the Chair of Governors, Elsa Mason

It's the end of the summer term and another academic year is over – where does the time go? It's certainly been packed with activities, opportunities and achievements across all the year groups. Watching the students develop as they have explored the variety of enrichment activities and seeing the launch of the school charity MORE have both been very special milestones. The MORE charity has been formed to award funding to assist students with the cost of accessing trips and resources, removing barriers from our students fulfilling their potential, with staff applying for funding on behalf of students.

No doubt if you have been following the school Facebook page, you will have seen some of the significant success our students have had in their activities within and outside of school, countywide, national and international. It is inspiring and humbling to see them flourish and develop habits, skills and confidence that will support them as they go through life.

In the following pages, I hope you enjoy reading about the great things that have been going on and take pleasure in seeing the remarkable skills and achievements of our students, and the talents of our staff in supporting their growth and development.

I wish all our year 11's and 13's all the very best in their next steps and trust that Millom School has given them a great foundation and springboard to continue to thrive.

My sincere thanks go to all the staff for the positive culture they create to support our students, and to the students for the significant effort and energy they put into their time at school.

Wishing you a restful and fun summer break

#### Photograph—Enrichment—Summer Term 2023

#### A message from Mr Savidge, Headteacher

It has been as busy as ever at the end of this summer term. We have seen the return of the summer concert with a wide variety of excellent musical performances from our students. Sports day took place with many school records being broken, some of which have stood since the 1970's and we have cricket teams in the county finals.

There have been a number of trips too with Year 9 going to a careers fair at Lakes College, the cinema reward trip to see Mission Impossible and Year 7, and some Year 10 students, taking on the challenge of Black Combe, unfortunately due to the weather the Year 8 students were unable to do the climb. The success of our new enrichment programme should have reduced the need for an activity week but the commitment of the staff has given students more opportunities than ever. A big thank you goes to the staff for the hard work they have put into the enrichment programme this year on top of their normal teaching duties.

Years 11 and 13 dealt with the stress of the exam season well and we were sorry to say goodbye to both year groups. We look forward to celebrating their results with them in August. We are also saying goodbye to several staff this year who you can read about in this newsletter. I would like to thank them all for their dedication to the students, school and the community we serve and wish them all well for the future.

We will be celebrating the achievements of the term with students on Wednesday before we finish and I hope you have a great summer and thank you for all your support.

## Enrichment Wednesday's

On Wednesday afternoon's all students throughout the school take part in Enrichment Activities.

Enrichment allows our students to develop interests and talents in a range of areas, enhances personal skills and qualities desirable to future employers and further education, prepares students for future success, equips students to be responsible, respectful and be active citizen's and contributes towards the enjoyment of school life.

#enrichment #takepart #betterlearner

## Year 10 Catering

After coming back from our Easter break, the Year 10 Catering class were straight back to it creating a masterpiece.

The 'Tunnocks Tea Cake Styling Challenge' was fabulous. The class were asked to style a Tunnocks Tea Cake and its plate with an original design.

Kyle won the challenge (picture immediately below). Congratulations to Kyle and a big well done to everyone else involved.

#takepart #betterlearner #catering

*"Art is as natural as sunshine  
and as vital as nourishment."*

*- Mary Ann Kohl*

## Careers Workshop

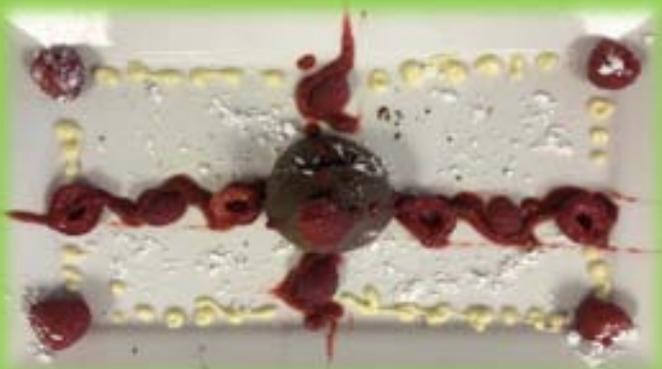

In April our Year 7 students took part in a careers workshop with Inspira and local businesses.

The workshop was about the career opportunities within the supply chain industry and what supply chain actually is.

Morgan Sindall, ATOS and DWP will be worked with the Year 7 students and gave examples of supply chains in their industries.

Thank you to our visitors for coming in.

#takepart #betterlearner

### Cumbria Cricket

Huge congratulations to Oscar and Cody on their Cumbria Cricket selection again this summer.

Finnley in Year 7 has also been selected for Cumbria Cricket U12's.

The boys have a fantastic season and we can't wait to hear about their progress.

#takepart #cumbriacricket #cricket

### Norman Nicholson Unveiling

Today saw the unveiling of the Norman Nicholson bust in The Millom Community Hub's Library.

Violet and Nina made a guest appearance at the unveiling with a Norman Nicholson reading.

Pictured are Violet and Nina along with Simone Faulkner, Millom's Deputy Mayor and Charlie Lambert, Chair of the Norman Nicholson Society.

Thank you to Violet and Nina.

#takepart #betterlearner #Millom #normannicholson

**"A book is a gift you can open again and again."**

**- Garrison Keillor**

### Girls Football

The player that goes from strength to strength!

In April Martha earned her first official cap for England Women's U16's, Martha has also been offered and U16's contract at Manchester United.

## Archery

Huge congratulations to Alfie in Year 10 who was selected as part of the teams to take on the 2023 Archery European Youth Cup.

The competition took place in Sion, Switzerland in June.

#takepart #betterlearner #archery #europeanacrchery #archerylife

## County Championships

Congratulations to our students who competed at the Cumbria County Championships at Furness Academy in May.

A big well done to our very own Martha in Year 9, who is now Cumbria U15 200m Champion and Annie in Year 8, who finished exceptionally close behind the winner (less than a second) in the 100m.

#takepart #betterlearner #running #runningclub

## K2B & C2B

Well Done and Congratulations to our students and staff who took part in the annual Keswick 2 Barrow (40 miles) and the Coniston to Barrow (21 miles) in May.

What an achievement.

#takepart #askyefullofstars #K2B #c2b

## U13's Cricket Team

Well Done to Cody W, Oscar M, Harry E, Eli S. Keane R, Jamie H, Finnley A, Kyle B, Jayden B, Reece H & Alfie W in Year 7/8 who played cricket in May against Ulverston.

#takepart #betterlearner #cricket

## A post on Social Media from Cumbria Cricket (May 16 2023)

The Under 13 boys made the trip into Yorkshire this afternoon to take on Giggleswick School.

Winning the toss they opted to bat on a relatively firm track, losing 2 early wickets the side were 16/2 and looking nervy, however, a partnership of 49 between Sam and Arthur steadied things and started a big fight back. Growing in trust and confidence of each other they rotated the strike well but Sam departed for 19.

Arthur continued to push the scoring along putting the fielders under pressure with the help of Benji (11) and a impressive display of front foot work from Stan (28\*) reaching his maiden half century. The side closed the innings on 141/5 off 30 overs.

Following a splendid feed, the boys went out to defend their total and made a near perfect stat as Finnley and Oscar picked up 2 wickets each from the opening 8 overs, leaving the hosts on 28/4.

The 5th wicket partnership off 22 was finally broken when Benji calmly took the return catch off his own bowling.

Some flamboyant stroke play followed pushing Giggleswick onto 71 as opener Galle had to depart to go play for club, then enter off spinner Cody who ripped through the middle order with 3 wickets in his first over with the aid of 3 good catches.

Janko on debut brought the game to a close bowling the last batter with the innings closing on 76/10.

Lots of positives to take from the game and carry onto the next fixture as Lancashire head to Millom CC on Sunday.

#cricket #takepart #betterlearner

“To me, cricket is a simple game. Keep it simple and just go out and play.”

—Shane Warne

### Wigan Warriors Foundation

Girls from Year 7-10 travelled to Barrow to take part in the Wigan Warriors Foundation training afternoon.

The girls were fantastic and had an amazing time.

#takepart #betterlearner #rugby  
#wiganwarriors

Congratulations to Martha in Year 9 who was awarded 'Manchester United's Academy Player of the Year Award in May!

#takepart #manchesterunited  
#manchesterunitedwomen  
#playeroftheyear

### Millom Netball Club

Tahlia was awarded the 'Emerging Talent Award' for Millom Netball Club in May.

Well done!

#takepart  
#betterlearner #netball

### Enrichment Badminton Tournament

Well done to Lee who won the singles and also paired up for an epic win with Logan to take the doubles champions title as well.

Well played lads!

#doubleschampion

**Work hard and dream big!**

## District and County Athletics Championships

Well Done to the following pupils who qualified to represent the District at County Athletics Championships in Carlisle on Saturday 10 June:

Martha—200m

Daisy—200m

Annie—300m

Bella—High Jump

Murrin—Long Jump

Hannah—High Jump

Charlotte—Triple Jump

Calvin—1500m

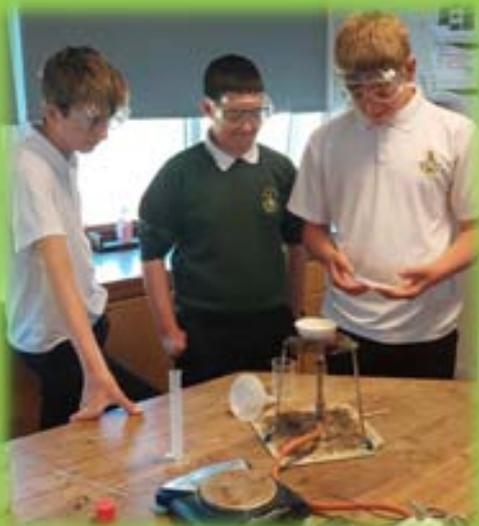

Ollie—Triple Jump

#takepart #betterlearner

## Year 9 Science

Mrs Vance's Year 9 Science class have been attempting to determine the mass of soluble and insoluble substances in samples of water using techniques of filtration and crystallisation.

#takepart #betterlearner #science

“Don't wish for it, work for it!”

### Mr Mitchell's Enrichment Group

The group had the best weather for their cycling adventures in May.

The group visited; High Nibthwaite, Grizedale Forest and Pakamoor.

#takepart #betterlearner #enrichment

### Mrs Johnston's Enrichment Group

Mrs Johnston's Enrichment Group visited Ingleton Caves in May.

The group walked half a mile into the limestone cave system and ended up over 100m beneath the landscape.

#takepart #betterlearner #geologyrocks #ingletoncaves #enrichment

### Year 7 Geography

Mrs Johnston's Geography class have been busy making slums based on their studies of Kibera in Nairobi, Kenya.

There were some very accurate creations reflecting the materials used and living standards for people in the slums.

Well done everyone, fantastic work!

#takepart #betterlearner #geography #slums

"LEARNING IS NOT ATTAINED BY CHANCE; IT MUST BE SOUGHT FOR WITH ARDOUR AND DILIGENCE" - ABIGAIL ADAMS

## Mountain Biking Enrichment Club

In June we had delivery of bikes like the one in the picture for the Mountain Biking Enrichment Club.

A big thank you to Buzz Cycles in Bootle for supplying the club with all the gear we need and Active Cumbria for helping us fund the bikes.

The students are going to love riding these on their trails.

Buss Cycles are going to help with the annual maintenance of the bikes, thank you.

Another massive thank you to The Partnership Cumbria and The Cumbria Community Foundation for making this possible with their funding.

Please add the projects/businesses on Facebook/ Twitter;

Buzz Cycles

Active Cumbria

The Outdoor Partnership Cumbria

The Cumbria Community Foundation

#takepart #betterlearner #mountainbike

#mountainbiking

## Cumbria Youth Alliance

Year 7 had a visit from the Cumbria Youth Alliance in June to launch the 'Call to Social Action' as an Enrichment option for them next academic year.

Thank you to Dana and Damien from the CYA, it was a very engaging presentation.

#takepart #readmore #betterlearner

"The beginning is always today."

- Mary Shelley

## 6th Form Biology

Jessie in our 6th Form took part in a practical experiment during one of her A-Level Biology lessons.

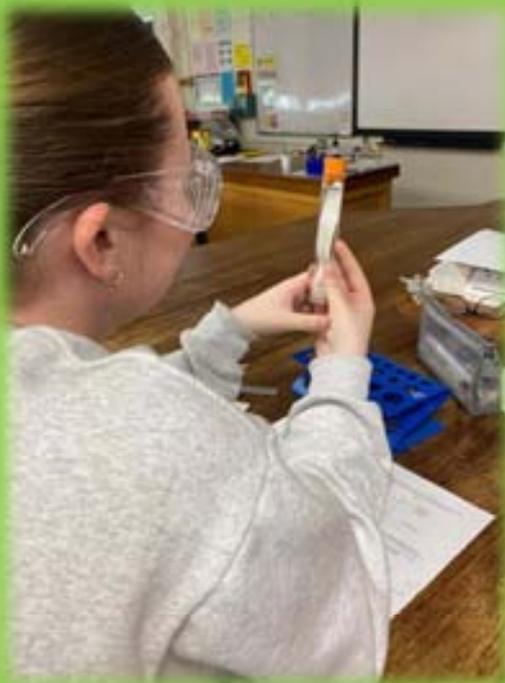

Jessie was investigating the pigments in leaves. She extracted a sample of pigments from leaves and then separated them using chromatography.

In a lesson later in the month Mrs Falconer's 6th Form students were carrying out a required practical into the effect of ammonium on the activity of chloroplasts.

Student were investigating whether the time taken for a chemical called DCIPI to decolourise is affected by ammonium hydroxide.

#takepart #betterlearner #biology

“Seize the day, then let it go.” - Marty Rubin

## The British Red Cross

Tony from The British Red Cross came in to take an Enrichment Session with some of our students on how to administer First Aid.

Tony talked about how to treat a choking casualty, a casualty with a burn and how to do CPR amongst other scenarios.

The students had a very engaged session and a big thank you to Tony for coming in.

#takepart #betterlearner #firstaid #theredcross #enrichment

## Ecology Enrichment Group

The Year 7 Ecology Enrichment Group have had a great time during a bright sunny afternoon observing the bird life at RSPB Hodbarrow.

From the bird spotting guides the group made, they were pleased to identify little terns, sandwich terns, black headed gulls, Canada geese, eider ducks, mute swans, oyster catchers and even a great crested grebe, which is one of the star species a Hodbarrow!

There were also lots of beautiful blue damselflies.

.

#takepart #betterlearner #enrichement #ecology

## Year 10 Art

Mr Grange's Art class have been painting their final outcomes for the first unit of their Art project. The theme of the unit is 'Natural Forms'.

Amazing work!

.

#takepart #betterlearner #artwork #naturalforms

## 6th Form Trip to London

15 students visited London from 14 June to 17 June to attend university open days.

The visited St George's, Queen Mary and Westminster universities over the 4 days to see what they have to offer in terms of courses, accommodation and student life.

The three universities were very different, so it was excellent in terms of highlighting the types of universities they will be applying for next year.

Time was spent exploring the city; visiting South Bank for ice-cream, took a boat up the Thames to Battersea power station, saw Big Ben and the houses of Parliament and watched Phantom of the Opera at His Majesties Theatre, and this was all on the first day!

On the Friday and Saturday the students visited Kensington, where some went to the Natural History Museum and some went to the Victoria and Albert, they saw preparations for the Kings birthday Trooping the Colour at Buckingham Palace, visited Leicester and Trafalgar Squares, shopped on oxford Street and chilled out in Regents Park.

It was a brilliant few days; at least 25,000 steps were walked each day. The Year 12 were a credit to themselves. Thank you to staff for running the trip.

#takepart #betterlearner #university #london

## Inter Counties School's Track and Field Championships

On Saturday 17 June, Martha represented Cumbria in the Inter Counties School's Track and Field Championships at Gateshead International Stadium.

Martha represented the county in the 200m and finished 4th overall.

#takepart #betterlearner #cumbria #trackandfield

## Barrow AFC Logo Design Competition

Mrs Coates had some fantastic entries for the Barrow AFC Logo Design Competition.

The competition was to design a logo for the new junior membership scheme, aimed at younger supporters of the club.

The winning logo will be used on merchandise for the club and sold in the shop and online.

Lots of local schools entered.

Well done to everyone who entered. There were so many entries from Millom School. All the entries were posted on our Facebook page.

A special mention to Ben C in Year 7 who produced a selection of logos made by hand and digitally.

#takepart #betterlearner  
#barrowafc

## Renaissance myON Summer Reading

Months of reading progress can be lost over the summer, so its great news that Mrs Wright in the Library has been successful in applying for FREE summer access to myON by Renaissance.

myON is a fantastic student-centred, personalised literacy platform that offers every student access to an enhanced digital library of books and daily new articles. This means that every student (and adult) can keep reading all summer.

myON can be accessed in any digital device.

• <https://www.myon.co.uk>

1—School Name: Summer Reads. 2—Username: MILS. 3—Password: MIL123! Then click sign in.

Schools who engage the most over summer win a prize!

#takepart #readmore #betterlearner

## Year 7 Ecology Enrichment Group

The Year 7 Ecology Enrichment Group had a visitor in June from John at Restoring Hardknott Forest.

The students had been learning how to identify trees around the school site by using keys and also looking at some of the wildlife around Hardknott Forest where they visited the following week.

John also told the students about exciting careers in the field of ecology and about some of the investigation PhD students are currently doing up at the site.

#takepart #betterlearner #enrichment #ecology #hardknottforest

## Duke of Edinburgh Award

The bronze Duke of Edinburgh Award students completed their qualifier on 25 June after a weekend in Ambleside.

The students had a challenging weekend of walking, they were amazing and did a fantastic job in passing and achieving the award.

The silver group were on their final day of their qualifier on 26 June.

The students in the silver group had a tough route on their last day but they did amazing in dealing with the tiredness, heat, rain and the hills.

Well Done to all the students who completed the award and a big thank you to the staff for their support and encouragement along the way.

#takepart #betterlearner #DofE

PLEASE VISIT OUR SCHOOL  
WEBSITE FOR CURRENT JOB  
VACANCIES

**Science with Mrs Vance**

Mrs Vance's Year 9 Science class have been preparing samples of their own cheek cells and onion cells for viewing under the microscope.

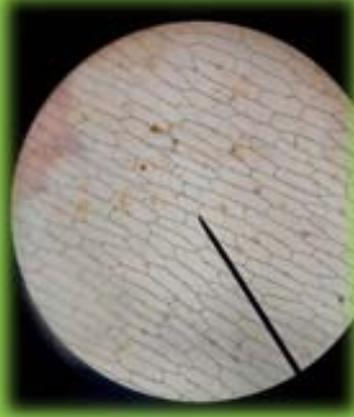

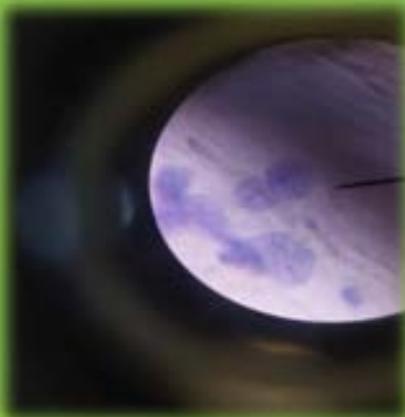

Methylene blue stain is used to stain the animal cell sample—it makes DNA in the nucleus of the cell viable (blue dot in the middle of the round cell). The class used iodine to stain the cell samples. Iodine makes the plant cell walls visible.

It was interesting to note that plant cells are rectangular in shape and are closely packed together, whereas animal cells are much more rounded with spaces between them.

For their GCSE required practical the students had to also complete a biological drawing of the sample and work out the actual size of the cell using the microscopes magnification.

Some of the samples viewed were magnified at x440.

#takepart #betterlearner #science

Don't wait until you've reached your goal to be proud of yourself.  
Be proud of every step you take towards reaching your goal.

**Junior Banger UK Open Champion**

Well Done to our very own Freddie who is now the Junior Banger UK Open Champion.

#takepart #baetterlearner #stockcarracing

### Year 7 Ecology Enrichment Group

Year 7 Ecology Group had a very wet but fun afternoon on 28 June at Hardknott Forest with the Hardknott Forest Group.

The students did really well in coping with the weather conditions and rough ground.

The group set up a wildlife camera hoping to spot a red squirrel or maybe a badger. They removed some non-native coniferous tree species to try and help the restoration of native woodland (rainforest).

The students also learned about a new type of biodegradable tree tube.

#takepart #betterlearner #hardknottforest #ecology #enrichment

### Year 5 Day

The end of June saw the arrival of Year 5 students from the feeder Primary Schools for their introduction to Secondary School.

The students got to move around classrooms and visit different lessons including, PE, Science, Maths, IT and English.

#takepart #betterlearner #millomlearner

**“You’re braver than you believe, stronger than you seem, and smarter than you think” - A.A. Milne**

## Cumbria County Archery Association

Congratulations to Alfie in Year 10 who received a gold medal in the Compound U18 Mixed Team in June at the European Youth Cup in Sion.

Well done to all the Great Britain Archers.

#takepart #betterlearner #archery

## Millom School Music Concert

Students across the age groups collaborated to put on a Summer Concert in the Alex Hall.

The concert featured performances by the school's brass band, choir, guitar, vocal and piano soloists, as well as our new school band 'The Green Hand Gang'.

The concert provided students with an opportunity to show off their hard work and dedication to practise this academic year.

The Music Departments and students would like to thank everyone who attended and supported the event.

#takepart #betterlearner #musicconcert

## European Championships—BMX

Emie in Year 8 has been competing in BMX Championships recently.

Emie and her family travelled to Besancon in France in July to attend the European Championships.

Emie had an amazing race.

The video has been uploaded to our Facebook page if you haven't already seen it, please have a look.

Well Done Emie!

#takepart #betterlearner #BMX

## Apprenticeship Morning

Year 12 students have spent the morning working with Inspira looking at apprenticeships.

The morning included an information session and an escape room activity with All Together Cumbria, which the students loved. The morning was finished off with an apprenticeship panel, where students were able to put questions to current apprentices and employers.

A big thank you to all involved with today's session: Inspira, All Together Cumbria, GEN2, DWP, NNL, OneAim JV, Sellafield and BAE.

#takepart #betterlearner #aimhigher

**“Aim high! The future you see, is the person you will be.” - Jim Cathcart**

## Sport Day

The students and staff had a brilliant afternoon for the annual sports day.

Brilliant performances and participation from all the students who took part.

Congratulations to all our placed students.

#takepart #betterlearner #Sports Day2023

## A Visit from Year 6

We had a wonderful day welcoming our next Year 7 students to school in July.

Lots of smiles, energy and a very busy day.

We can't wait until September, what a cracking year group they are going to be!

#takepart #betterlearner #transitionday

#year6transition

"Every moment is  
a fresh beginning."  
- T.S Eliot

## Cricket Semi Final

The cricket semi final took place on 10 July at Keswick.

Well done to: Zac M, Bradley L, Kyle B, Jake C, Rohan A-F, Josh M, Olivia T, Kalan R, Samuel A, Kyle B, Jayden B, Harry E, Hayden S and Finnley A.

#takepart #betterlearner #cricket

## Year 7—Tour de France Jersey Designs

#takepart #betterlearner #tourdefrance

## Maths STEM Activity Day

In July we had a visit from Year 6 girls from local Primary Schools, they were given the opportunity to take part in STEM Activity Day.

The day consisted of bridge-building, costing, design, 3-D Geometry and many magical Math's puzzles.

The girls showed fantastic problem-solving and teamwork skills throughout the day and made new friends as well.

Thank you to the STEM Leaders for delivering an outstanding set of activities and the students' enthusiastic attitude, the day was a resounding success.

#takepart #readmore #betterlearner #STEM #maths

## Festival of Work

Year 9 spent the day at Lakes College attending the Festival of Work in July.

The students got to have a go at bricklaying, welding (VR style), mechanical engineering and electrical installation.

They also attended workshops where providers discussed successful interviews and applications.

They finished their day attending the company stalls to discuss with employers different opportunities.

#takepart #betterlearner #AimHigh

## Year 8 Humanities Visit to Muncaster Castle and Ravenglass

Year 8 all enjoyed their visit to Muncaster Castle and Ravenglass this term. The students enjoyed the castle tour where they learnt about the History of the castle from its Roman origin through the improvements in the medieval period to the present day. The highlight of the historical journey being the time that Henry VI was taken in by the Pennington family and cared for before returning to London, for this kindness the King gave the Pennington family a glass bowl and the promise that if the bowl remained in the castle the family would experience prosperity and good health, today the bowl remains hidden in the castle with only two members of the family knowing its location.

In the portrait gallery the group looked at pictures of a long line of Pennington's' and learnt about their contribution to the castle and its upkeep. In the 1950's Mrs Pennington introduced a bear bought at Harrods Castle, after the purchase of another bear many baby bears followed, the bear pit remained until the 1980's, the current Meadow Vole Maze occupies what remains of the old bear pit.

Despite the weather pupils enjoyed the new adventure playground at Yetiquarry and the rope swing in the tree tops. Due to the rain on week one lunch was eaten in the Old Laundry, whilst one week pupils enjoyed picnicking on the lawns outside of the castle.

The day was ended with a nice walk of 1.5 miles to the settlement of Ravenglass, its Roman origins are obvious with the bath house coming into view as we entered the village.

Geographically, strategic this perfect harbour was one of the empires most northerly ports. Here the River Esk, Mitre and Irt enter the sea behind the beautiful sand dunes that protect the harbour from the strong westerly winds during the winter months.

Students completed work in Ravenglass looking at the housing and trying to distinguish the number of holiday homes and how this affects the services and prices in the village. We did manage to interview a few local residents and holiday makers but it was pretty quiet.

#takepart #readmore #betterlearner #humanites #muncastercastle #ravenglass

**Hard Work + Drama + Dedication = Success**

## Eco Earth Times at Millom School & MNC

Millom Network Centre has joined forces with Millom School's ECO Club to make sure clean and affordable uniform is available for Millom School students in September.

Millom Network Centre has kindly agreed to take in donated uniform items and distribute uniform from their shops throughout summer and into the new school year.

Millom ECO Club handed over 200 uniform items to the shop. Parents can pick up polo shirts, black trousers and school jumpers from the Network Centre's Charity Shop on Lancashire Road. Items are free but swapping outgrown uniform or making financial donations to Millom Network Centre's good work would be greatly appreciated.

## Coaching Masterclass for Tahlia

On Sunday 16 July, Tahlia had the chance to attend a coaching masterclass with the former England Roses Head Coach, Tracey Neville.

The netball masterclass took part at Sedburgh School.

What an amazing opportunity, Well Done Tahlia.

Keep working hard.

#takepart #netball #emglandnetball

“The only limit to the height of your achievements is the reach of your dreams and your willingness to work for them.” - Michelle Obama

## PLACES WHERE KIDS EAT FREE (OR FOR £1) DURING THE 6 WEEKS SUMMER HOLIDAYS 2023

COURTESY OF MONEY SAVING CENTRAL

### ASDA

Kids eat for £1 All Day. Every Day at Asda cafes, with no adult spend required.

### TESCO

Kids eat free with a purchase of 60p+ from Mon 24th July - Fri 1st September 2023

### SAINSBURY'S CAFES

Kids eat for £1 with the purchase of an adult hot main. From 11.30am every day.

### BEEFEATER & BREWERS FAYRE

Two children under 16 can get a free breakfast every day with one paying adult!

### THE REAL GREEK

Kids under 12 eat FREE every Sunday for every £10 spent by an adult

### TABLE TABLE

Two children under 16 can get a free breakfast every day with one paying adult!

### TRAVELODGE

Buy 1 Adult Breakfast from just £8.99 & up to two kids eat breakfast for free

### HUNGRY HORSE

Kids eat for £1 on Mondays & up to 2 Kids get free breakfast with 1 adult breakfast

### PREMIER INN

Buy 1 Adult Breakfast from just £8.99 & up to two kids eat breakfast for free

### SIZZLING PUBS

Every Monday to Friday, 3 - 7pm, kids' mains are £1 with every adult meal.

### IKEA

Kids get a meal from 95p daily from 11am

### MORRISONS

Spend £4.49 & get one free kids meal all day, every day.

### GORDON RAMSEY RESTAURANTS

Kids under 8 eat FREE all day, every day at selected Gordon Ramsay restaurants

### PRETO

Kids up to age 10 eat free all day, every day with paying adults at Preto in Half Terms

### BILLS

2 kids eat FREE all day, every day from Monday 24th July - Friday 1st Sept 2023

### BELLA ITALIA

Children eat for £1 with any adult main. The offer is valid 4-6pm Mon to Thurs.

### WHITBREAD INNS

Two kids under 16 eat for FREE with every adult breakfast purchased

### SA BRAINS PUBS

Children can eat for £1 with any adult main. Valid All Day Wednesdays

### FUTURE INNS

Under 12's eat for free with any adult meal. During the school holidays

### PAUSA CAFE @ DUNELM

Kids get 1 mini main, 2 snacks & a drink FREE with every £4 spend after 3pm

### YO! SUSHI

From Mon 17th of July until Fri 11th of Aug kids eat free with every £10 adult spend

### TO BE CONFIRMED...

M&S and Farmhouse Inns

### Covid Reminders

We have many hand sanitizing stations around school, we advise students to use these upon entering the school site and during the school day. As well as this, students are asked to clean their workspaces at the end of every lesson with the products provided, ensuring that the area is clean for the next students to enter the classrooms.

If your child is presenting the following Covid symptoms;

- High temperature
- A new, continuous cough
- A loss or change to your sense of smell or taste

It is advised that students must **not** be in school if they have tested positive for Covid. Your child should then be off school for 3 days after testing positive.

Please inform school if your child has tested positive for Covid.

### School Reminders

If your child is absent from school, please remember to ring in your child's absence before 9:30am. A reason for absence needs to be given.

If your child is absent due to sickness or diarrhea they need to be 48 hours clear from the last bout to be able to then come back into school.

Any medical appointments need to be made out of school time where possible. In order for us to authorise medical appointments please provide the school with a copy of the appointment card or letter, a picture or copy of this can be sent to school via email or given to your child to hand in to Reception where we will then take a copy of the document.

Holidays should not be taken in term time. All requests for time out of school should be addressed to Mr MD Savidge either via email, using the school email address or by letter.

Students should be wearing the correct uniform for school. Reminders with regards to uniform, hair and jewellery can be found on the school website and in the parent handbook.

We can accept forgotten packed lunches, money, books etc. but it is the responsibility of your child to collect these from Reception. We cannot get messages to students. If your child has forgotten their lunch or money for their lunch they will be able to get something from either refectory and the money spent can be paid back the following day.

A reminder that parents/carers/visitors to school should not enter the school site without an appointment. Please phone the school to arrange an appointment.

Millom School
