Dear Parent/Carer(s)

It is approaching the time of year for Year 11 to sit their final examinations.

I have enclosed for your information the leaflet "How can parents/carers help?" which will inform you on the help you can offer your child.

There will be revision sessions available during the summer term which students will have been made aware of by their class teachers.

If you would like to discuss anything in more detail, please do not hesitate to contact me in school.

Yours sincerely
