Science		

Millom School Sixth Form Application Form

PROPOSED BLOCKING INFORMATION

Please find below the provisional blocking arrangements for 2017-18. These are based on the initial subject choices made by our current Year 11 students. You should choose 4 subjects from the different blocks A-E, not subjects within the same block.

However, if you wish to study a different combination of subjects then please let us know during your interview, as we may be able to change the blocks. We will try to cater for any combination of subjects and do our best to give every student their first choice, however, we cannot guarantee this nor can we guarantee the availability of all courses.

BLOCK A	Biology	ICT	Art	Photography
BLOCK B	Chemistry	Performing Arts	English	Product Design
BLOCK C	Physics	Sport	Health and Social Care	
BLOCK D	Maths	Applied Science	History	
BLOCK E	Geography	Business	Media Studies	

PROGRESSION PATHWAYS

As outlined in the Course Information Booklet, there are 3 pathways to choose from at Millom Sixth Form. All of these pathways will allow progression to higher education, further education, apprenticeship or employment. You are advised to look at university and college entry requirements, apprenticeship entry requirements and career-specific guidance before choosing your options at Key Stage 5.

1. Academic Pathway – 4 A Levels or 3 A Levels plus 1 vocational qualification
2. Dual Pathway – 2 A Levels plus 2 vocational qualifications
3. Vocational Pathway – 4 vocational qualifications

The minimum entry criteria for studying level 3 subjects at Millom School Sixth Form are:
2 grades at Grade 4 or above in English and Maths plus 3 grades at grade 4 or above in other subjects.

PROPOSED COURSES

Please select below the **FOUR** courses that you are interested in taking and would like to discuss at interview. Number your choices 1-4, with 1 being the subject you most want to study.

Note that you cannot choose to study both Art and Art Photography or both the Extended Certificate and Foundation Diploma in Sport, as they share common units. You also cannot choose to study the BTEC Applied Science in combination with Science A-levels, as the content of these courses overlaps.

Academic Qualifications:			
A Level Art & Design: Fine Art		A Level Media	
A Level Art & Design: Photography		A Level Product Design	
A Level Biology		Vocational Qualifications:	
A Level Chemistry		BTEC Certificate in Applied Science	
A Level English Literature		Technical Certificate in Business	
		BTEC Extended Certificate in Health and Social Care	
A Level Geography		Technical Certificate in ICT	
A Level History		BTEC Certificate in Performing Arts	
A Level Mathematics		BTEC Extended Certificate in Sport	
A Level Physics		BTEC Foundation Diploma in Sport
