

**At KS4, the subjects you have to study are:**

English Language  
English Literature  
Maths

Science  
Computer Science or ICT  
PD and Games

**For Science, you need to choose ONE of the following options:**

**Tick**

**Combined Science – 2 GCSEs**

This will count as two of your option choices and is the minimum requirement for studying Science at Key Stage 4.

**Triple Science – 3 GCSEs**

This will count as three of your option choices. You will achieve 3 separate GCSEs in Biology, Chemistry and Physics. You should choose this option if you intend to study scientific subjects at Sixth Form, or wish to pursue a career in science.

**You also need to choose ONE of the following options:**

**Tick**

**Computer Science – 1 GCSE**

**ICT – (equivalent to 1 GCSE)**

You need to choose, in total, **three** subjects that are classified as 'E-Bacc' subjects. These subjects are:

- Science
- Computer Science
- History
- Geography
- French

If you have chosen Combined Science and ICT above, then your three 'E-Bacc' choices are not filled and so you will need to select one further 'E-Bacc' subject. **Go to box A.**

If you have chosen Triple Science above, or Combined Science and Computer Science then your three 'E-Bacc' choices are filled. **Go to box B, C or D.**

Please use **ONE** of the four boxes overleaf to indicate your option choices.

***Due to timetabling constraints, we cannot guarantee that all combination of options choices are available to you, however, we will do our very best to accommodate you. Therefore, you will also need to indicate your FIRST CHOICE of options and a RESERVE CHOICE of options in the event of any timetabling problem that affects your combination of choices. We will try to ensure that you have your first choices available to you.***
