

Roadmap - The Learning Journey

Should:

- Map out opportunities for students to develop the Millom Learner in that subject
- Map out progression routes KS3 → KS4, KS4 → KS5 and KS5 → Post-18/careers
- Show how that subject promotes employability skills, including literacy, numeracy, IT, communication, teamwork, leadership etc
- Show how that subject will provide careers education and information
- Direct pupils towards extra-curricular opportunities e.g. independent projects, extra reading, Chill Zone clubs, trips, involvement in projects
- Include key stage transition opportunities / activities

This is different to a progression (long term) map, which outlines the taught content and assessment opportunities. The roadmap will be published on the school website.
