Dear Parent/Carer

PARENT/CARER EVENINGS DURING 2020-21 ACADEMIC YEAR

As you will be aware, Millom School has made several changes to the operating of the school to allow for it's safe opening during the Coronavirus (COVID-19) pandemic.

Unfortunately, we are having to take the decision to suspend face-to-face Parent/Carer Evening's until further notice. Many schools are having to take similar actions to limit the number of people who visit the school site, beyond the usual school population.

We are working to develop ways to communicate progress within school subjects, and Progress Reports will be issued throughout the year as usual, via Go4Schools. At the time that a Parent/Carer evening was calendared to take place, we will write to all families again. These letters will give a general view of your child's participation in school, and should be viewed alongside the most recent Progress Report (which may be from the end of 2019-20) to recognise areas of celebration or those of concern. There will also be information regarding the process by which contact can be made with school to discuss particular matters further.

We trust that you will understand the need for us to take this decision. We will review this throughout the year, should the guidance change.

We appreciate your ongoing support as we continue to develop ways to allow education to continue and maintain lines of communication throughout the year. Further information will follow this letter as per the calendar of Parent/Carer evenings.

Should you wish to raise a particular issue in the meantime, these should be directed to Form Tutors in the first instance.

Yours faithfully

N Eaton
