

MILLOM SCHOOL

Headteacher: Mr M. D Savidge

Ref:NE/Gmlmad/COVID/Shometest

31 March 2021

Dear Parents/Carer(s)

Students have been issued with their second set of COVID19 home testing kits today, and will be bringing them home from school.

The support for all of the measures in returning to school from the start of March has been a great show of everyone supporting our community. Your ongoing support with the home testing program will contribute to the national and local response to the pandemic.

The testing kits contain enough Lateral Flow Tests to carry out testing throughout the Easter holidays, and prior to the return to school on Monday 19 April. The testing should be carried out twice a week, and the reminders to submit results using the TestRegister system will continue to arrive by email.

The home testing and the registering of the test results is helping us all move towards the easing of COVID restrictions, as well as allowing for a safe school and community. If you haven't taken part in the home testing, it is not too late to do so. The reminders to submit results will be sent to the email address the school hold on record for you.

Should you have any questions or queries regarding home testing, please contact the school.

Yours faithfully

N. Eaton
