Thank you for your interest in this post.

**The Post**

We are seeking to appoint an enthusiastic and self-motivated Science Technician to assist our busy Science Department with the preparation and provision of practical support to the students and Science teaching staff. The successful person will be responsible for ensuring that equipment is maintained and adequate levels of materials and equipment are available for use.

The successful candidate will be a well-organised and flexible person with good practical experience, who can work successfully alongside both adults and students. Training and support will be provided.

Please ensure that your application includes both a daytime and an evening telephone number where you can be contacted, **and an email address**. We regret that we shall be unable to inform unsuccessful candidates of the result of their application.

Millom School is committed to safeguarding and promoting the welfare of its students. All applicants are subject to the requirements of Keeping Children Safe in Education guidelines. This will include checks with past employers and the need for the successful applicant to hold or undergo a suitable enhanced DBS disclosure. This is a temporary, maternity cover post.

The deadline for applications is **12 noon, Wednesday 29 September 2021**

**Interviews will be held the week commencing Monday 4 October 2021, and may be held virtually over Teams.**

If you have particular questions about the post, we will be happy to answer them for you. Please ask for the Headteacher's PA, Sheila Minter, who will be pleased to help you.
